

Guidelines for series approval of products for **Webcam (Finished Product)**

Basic Configuration	Grouping as one series provided product has
Webcam (Finished Product)	<ul style="list-style-type: none">• Same Enclosure material except for differences of decorative parts.• Same PCB design layout.• Type of Webcam i.e. Webcams with Microphones, Wireless, network etc.• Same IP rating.• Same input voltage.• Same rating of battery (registered batteries), if applicable.• Registered adapter with the same output rating to input of Webcam, if applicable.• Same mounting mechanism.

Guidelines for Quantitative Selection of Samples

- A series may consist of 10 models.
- Unless specified otherwise, one sample may be tested for each series.
- In any of the above consideration, worst case configuration from Safety Design perspective must be selected for testing.
